MCCS

Monroe County Christian School

We Are Different

MCCS is the only non-denominational Christian school in the county. We teach unwavering Christian values and Christian world-view that is widely known and appreciated by both parents and supporters. Eighty-five percent of recent survey participants noted Christian Worldview as the number one reason they would choose or recommend MCCS. This Christ-centered focus is enhanced with small class sizes and a highly caring staff.

Curriculum

Nearly all subjects utilize a Biblical worldview textbook published by recognized Christian education companies with an average of 45 years in business. Our academics are rooted in Scripture, rigorous, and taught in a traditional learning environment.
