SCHOOL

# TEACHING CHILDREN TO LOVE GOD, SERVE THEIR COMMUNITIES, AND ADVANCE GOD'S KINGDOM.

## ACADEMICS

A Christian worldview permeates our daily lessons, the way the teachers discipline, our programs and the course of study for science and history, in particular. We prepare students to live and engage in God's world with a faith-based perspective.

## COMMUNITY-FOCUSED

MCCS was proposed and created by a community of churches and believers. We seek to serve area families desiring a school with unwavering Christian values, rooted in the Bible.

## ABOUT MCCS

Newly formed in 2018, the school has grown from three grade levels to a complete elementary school. Every day, families from throughout the Columbia and Waterloo areas bring their children to our building for a safe, loving, family-friendly learning environment.
