

A BRIEF HISTORY

MCCS was formed in 2018. Since 2020 alone, the school has shown a 400% growth. The beginning three grade levels have expanded to a full elementary school, offering grades K-8 for academic year 2023-2024.

MCCS was founded on providing unwavering Christian values in a traditional learning environment.

ABOUT US ?

- We are the only non-denominational Christian school in the entire county.
- We are blessed with significant community support.
- Over 30% of our annual income, not including fundraisers, is from individual community donors.
